

Lift Truck Instructor Re-Reg/Direct Entry

Qualified fork lift instructors coming towards the end of their 5 year certification period can attend a five day re-registration course onsite or at A&M Training Services

Our **ITSSAR** accredited instructor training courses are also suitable for direct entry delegates who are already qualified instructors under another accrediting body.

Course Type	Operator Experience	Course Duration	Delegates
ITSSAR Fork Lift Instructor Re-registration/Direct Entry Course	Qualified instructor nearing end of 5-year accreditation term or converting from instructing under another accreditation	5 Days	6 Maximum
